

you are the revolution

reproductive dreams becoming reality

- Reproductive justice to some looks like ...
- affordable healthcare
 - affordable housing
 - safe space to give birth / raise children
 - living wage
 - permanent status for all
 - funding social services
 - food security

- it also looks like
- access to options regarding pregnancy & birth control
 - non-judgemental, non-gendered health-care
 - building / not building family on your own terms
 - knowledge & education
 - support
 - freedom from violence
